Selective Entry Network Professional Learning Day

We sincerely thank the staff and students of MacRobertson Girls’ High School for the welcome they provided us all at the Annual Selective Entry Network Professional Learning Day for staff and student leaders on Monday April 11. It was a lovely way to begin the term. Much learning and sharing was done by and between the staff of the four schools.

We enjoyed a Keynote Address by Professor Vanessa de Oliveira Andreotti from the University of British Columbia in Canada, who explored with us perspectives on global citizenship education. Following that the Education Support Staff...
WHAT IS COMING UP AT NOSSAL...

Principal’s Desk Continued...

spent time learning with Professor Karen Starr from Deakin University, whilst the teaching staff focused on the strategies that work with Gifted and Highly Able Students, presented by Dr Leonie Kronborg and Dr Margaret Plunkett.

Throughout the three workshop sessions in the afternoon our staff shared their practice and expertise with others within the network by presenting, facilitating workshops or running network meetings where they shared ideas and resources. I sincerely thank all of our staff for their contribution and approach to learning on the day.

The school captains also took the opportunity to network with their peers throughout the day as well.

Mr Page tells me I need to thank myself and Ms Gayl Shute who formed part of the organising committee with representatives from each of the four schools.

Graduate News

I recently had the pleasure of catching up with 2013 School Captain, Shirlene Perera. Shirlene has been studying Arts at the University of Melbourne since she graduated, and has had some interesting and varied experiences whilst completing her degree. I thought it worthwhile outlining some of these experiences, to highlight the opportunities and life experiences available to university students and also to highlight that Nossal students are brave, curious, resilient and adventurous.

Shirleen Perera in London
As part of Shirlene’s second year in a Bachelor of Arts (BA) at the University of Melbourne, she undertook an exchange program with Melbourne Global Mobility to study for a semester at the University of Birmingham in England. Whilst there she studied subjects that contributed towards her BA. The University of Melbourne provided her with a $2500 scholarship to support the expenses of the trip.

Shirlene lived on campus, in one of the villages where she met students from all over the world (USA, South America, Canada, Europe) and partook in college life including participating in various societies and playing with the Birmingham Lions Women’s basketball team. Whilst there she also travelled with friends and on her own to Dublin, Scotland, Paris as well to other major cities in England. Shirlene says that it is undoubtedly the best thing she has ever done (so far, I would add).

This year, now that she has returned to the University of Melbourne she is doing something else that challenges her, provides her with a unique opportunity and contributes towards her degree. In Semester 1 of her third year, she is completing an internship with the Victorian Parliament as part of her Politics major. The program admits 35 students from Monash, Melbourne and Victoria Universities each year. The program began in 1990 and since then there have been around 1000 interns and some of those have gone on to become MPs, parliamentary officers, journalists, researchers, public and private sector leaders and even our Premier, Daniel Andrews.

She has been assigned a local MP, Hon. Heidi Victoria, the Member for Bayswater and she will work with her on a topic that relates to her portfolio. Shirlene’s task will be to write a 6000 word research report which will be filed in the Victorian Parliamentary Library. She will conduct research, gather data (interviews, talking to stakeholders, research government documents), perform data analysis and compile it in a report format. Her research will be based around whether government funding for tourist attractions affects attendance rates and mobilises tourism.

It was lovely to catch up with Shirlene, to hear her news, and discover some of the wonderful opportunities provided by universities. It is reassuring to know that Nossal graduates are continuing to ‘embrace the challenge’ and make the most of what life presents to them.

Alumni Cocktail Party – a new batch of Old Nossalonians

It was fabulous to see most of the 2015 Graduates here at Nossal on Friday March 18 for the Annual Alumni Cocktail Party. Students and staff had a great time talking about what they are currently doing and reminiscing about the ‘Good Old Days’ at Nossal. Shevin Dissanyake and Mr Page conducted tours of the new facilities and everyone was extremely impressed and extremely jealous. A big thank you to the Alumni organising committee and to Juliea Slywka for organising such a successful evening. We hope that the event signifies the start of an ongoing network and relationship for last year’s cohort of graduates. Being part of the Alumni maintains your connection to our community.
Inspirational Young Woman Award
Girl Guides Victoria and Women of Note are supported by the City of Casey Youth Services to host an annual Women’s Mentor Breakfast. This event provides an opportunity for young people in Year 11 (or age equivalent) to connect with positive female role models, who are successful in their chosen career.

The Women’s Mentor Breakfast 2015 was held on Friday March 18 at the City of Casey Council Chambers. Over 100 students and mentors attended the breakfast and were delighted to hear from guest speaker Kate Weiss the CEO and founder of Table of Plenty. At each table, students were seated with mentors from an industry that they were interested in pursuing, such as Law or healthcare. The breakfast provided an opportunity for students to talk directly with mentors. Kate spoke about the creation of her business which employs five full-time staff and outsources much of its production and packaging to Scope Victoria, a non-profit organisation that provides work for people with disabilities. Through Scope, Table of Plenty provides six full-time jobs to people with disabilities and more than 80,000 hours to date.

Six of our young women (Christine Minda, Aria Sunga, Jessie Tang, Shirley Tang, Alicia Lam and Sophie Tran) attended the breakfast and were inspired by their experience. Whilst at the breakfast Aria received the inaugural City of Casey/Girl Guides Victoria Kay Rankin Inspirational Young Woman Award. Congratulations to Aria; a worthy recipient. A big thanks to Ms Mary Fankhauser for supporting the girls to attend and writing the nominations for the award.

Local Secondary School Expo
On Thursday March 17 I had the privilege to attend the Berwick Chase Primary School Secondary School Expo with Rakith Wickramaratne and Asha Tyndall from Year 9. Whilst there we spoke to many interested parents and students about Nossal, our environment and how to gain entry to the school. Rakith and Asha did an outstanding job communicating with community members about our approaches and the school culture. They were fine ambassadors for the school community.
Gnomon School of Design

The Year 10 – 12 Visual Communication classes had an incursion with members of the team from the Gnomon School of Design last term, which was organized in conjunction with the United States of America Embassy here in Melbourne. The students were inspired and informed about techniques in graphic design.

Jasmine, from the US Embassy also donated a signed copy of Breakthrough by Jack Andraka to the IRC. Jack is a 16 year old who came up with a test for pancreatic cancer. You may remember last year when Dan Haesler spoke to us, he told the story about Jack and his persistence.

We have recently made arrangements for the US Embassy to attend our Careers and Pathways Expo on Thursday July 21 to inform us about how to approach applications to enrol in tertiary studies in the US.

Parent-Student-Teacher Conferences

It was lovely to see so many parents and students here at the Parent-Student-Teacher Conferences throughout Thursday and Friday this week. I hope all of you have a sense of how your child has settled into the school year, and where they might focus their efforts to make continued progress throughout Term 2.

Can I remind parents that if they did not get the opportunity to meet with the teachers over the past two days, please contact the teacher directly.

New Facilities

We are delighted with the way the new facilities have come up as the finishing touches have been put on. We thought you might like to hear a brief outline of the status of the various projects:

The Year 12s have moved into and are making good use of the new Senior Study Centre and greatly appreciate the space.

Staff are moving into the Careers, Wellbeing and VCE Offices, which has meant we can provide students with more breakout spaces to work in around the school.

The two breakout rooms in the new area, including the one that will provide a good working space for the SRC are just awaiting delivery of some furniture.

The Fitness Centre had the final touches put on it today, when locks were fitted, and it is partially open for student use. The table tennis area can be used by students during recess and lunch and is being used for some PE and Dance classes. We are in the process of finalising the safety and supervision requirements of the gym section of this space. Once that is done we can begin utilising the equipment in there.
The oval is progressing as we patiently wait for the grass to grow and pray for appropriate weather conditions. The last of the landscaping around the oval is being finished off this week.

We are still working on the final fit out of the two classrooms at the end of the main building, but things are progressing at pace in these spaces.

View your child’s attendance online

At the end of Week 2 Term 2 we are opening up Compass attendance statistics and approvals to parents. As we get closer to the release date we will email parents a guide to accessing and interpreting attendance on Compass.

Year 10 and New Student Morrisby Careers and Pathways Profile Testing

This will take place in the afternoon of Wednesday April 27 from 12.00 – 3.15 pm. Students participating in this test will be required to stay until the 3.15 pm finish time. Given that it is a Wednesday, and we normally finish at 1.20 pm you can expect your child to arrive home a few hours later than normal. Students will need to bring their lunch and an afternoon snack, since the canteen is not open on a Wednesday lunchtime.

Congratulations to …

• Shea McNaughton of Year 11 who has achieved a place at the (highly competitive) UBS Finance Academy at Macquarie University in Sydney in July.

• Kanusanth Mukunthus of Year 10 for achieving the Mridanga Arangetram after many years of study. Mr and Mrs Page were honoured to attend the musical performance and were greatly impressed by the spectacle and high level of entertaining performances on the evening. Kanus has mastered the Mridanga (Indian percussion instrument that is a key instrument in traditional Carnatic music performances) and is one of a small number of students to have graduated at this level.

• Vignesh Murugan (Class of 2015) who is one of a small number of Victorian students to have their VCE work selected for display at the Melbourne Museum as part of the “Top Designs” program. Vignesh’s high tech computerised German Equatorial telescope mount created lots of interest from the invited (and knowledgeable) guests at the opening night of the show, and will be on display at the museum for several weeks.
Ryan Venpin of Year 9 who was selected to compete in the Under 17 Victorian Badminton team at the Australasian Championships in Perth during the holidays. (Ryan is the youngest member of the team…. so it looks like we should be able to take out Melbourne High School in the local championships this year!)

Visit of the Queensland Education Minister

On Tuesday April 12 we hosted a visit from the Queensland Education Minister (the Honourable Kate Jones) and several senior educators from Queensland and Victoria (including our new Regional Director Mr Stephen Gniel – who has recently joined the Victorian Department of Education to take charge of the Southern Region). They are interested in exploring selective schools and visited Nossal, The John Monash Science School and MacRob. We regularly host overseas and interstate visitors who are interested in the work that we are doing, and in particular the things that make us “different” to other schools, it is generally a useful exchange of ideas and information, and opens the doors for reciprocal visits to build our own skills and knowledge. We have previously hosted senior educators from Queensland and were privileged to be hosted by them at two of their top performing schools and academies two years ago. As a “specialist” school we have much to learn from other schools who are working in creative and innovative ways and we hope to continue to do so in spite of the increasingly restrictive travel arrangements and policies currently being imposed on Government school staff.

School Council Annual General Meeting

The next meeting of the School Council will include the AGM where the 2015 Annual Report will be presented. This will then be published on the My School website and the Nossal Website. All Council meetings are open to any member of the community and you are welcome to attend as observers, although there are restrictions on participation. Please contact Ms Shute beforehand if you intent to attend a Council meeting so we can make appropriate arrangements. The meeting will be held on Tuesday April 26.

Emerald and District Rotary Club Annual Community Raffle

We are fortunate to have been included in this event again this year and thanks to the generosity of Ferntree Gully Nissan (now the Ferntree Gully Motor Group) and the Rotary Club we will have the opportunity to sell tickets in a car raffle where the price of every ticket sold by Nossal is returned directly to the school. This is a marvellous fundraising event and last year Nossal sold the most tickets of all the community organisations and raised over $10,000 for the school. This year Ferntree Gully Nissan have provided two cars as the main prizes – first prize is a choice of a brand new Nissan Micra; Suzuki Swift; Holden Spark or VW Polo – second prize is the choice of one of the three remaining cars – third prize is a $1000 Westfield Voucher and fourth prize – a $500 Westfield Voucher. This year it is our turn to win a car, and to hopefully improve on our ticket sales again. We will be staging this as a House competition and all funds raised come directly back to the school so we hope that everyone will get behind it again this year. More information will follow at a later date.

Save the Dates

We look forward to another vibrant term ahead. Please make sure you put these dates in your calendar – these events all promise to provide either enjoyment and entertainment and/or information to parents and families. I know some of these dates are well into the future, but by giving advanced notice, we are hope you can schedule time out of your busy lives to come along.

• The music department are holding a Jazz Night on Friday April 29 6:30pm till 8:30pm – we look forward to hearing from our budding Jazz musicians and a return performance from the Alumni Jazz band, bring a picnic dinner and join us for a fun, relaxing evening.
Principal’s Desk Continued...

- **The Wiz Musical** performed by the Nossal Drama Club – you can choose from one of three nights to attend – **Thursday 16, Friday 17, Saturday 18 June**. Performed in the Meath Auditorium. Information about ticket sales will be available soon.

- Parent Information Evening on the **Morrisby Report** for parents of Year 10 and new students (who sat the test). This will be held in the Meath Auditorium on **Thursday June 9 at 7.00 pm**. Parents will find out how to interpret their child’s careers and aptitude profile.

- **Careers and Pathways Expo** – our annual Expo will be held on **Thursday July 21 4.00 – 7.00 pm**. A wide range of universities, talks and information sessions will be provided throughout the afternoon – evening.

- **Course Confirmation Day** – throughout Term 2 and at the beginning of Term 3 students will begin thinking about and planning what subjects they wish to study in 2017. The **2017 Senior Handbook** will be released to students in Week 9 of Term 2. On **Wednesday July 27** we invite students and parents to attend an appointment with a teacher at some point throughout the day (8.30 am – 8.00 pm) to confirm their subject selections and enter them onto the system. Students (and parents) are encouraged to do research and have discussions about pre-requisites and other factors that may influence decision-making before the day. Bookings for this will be via the Parent-Student-Teacher Conferences section on Compass. More information about this will come to parents and students closer to the date.

- We are proud to bring to our parents and community the world renown and award winning film ‘**Most Likely to Succeed**’ on **Thursday August 18 at 7.00 pm**. This film outlines the aims of education and how we can best prepare our children for their futures. $15 tickets will be available via Trybooking. More details to follow closer to the event.

- Don’t forget to block out the evening of **Tuesday August 23** so that you can attend the **Annual House Performing Arts Festival** at Robert Blackwood Hall. After weeks of practise, each of the Houses will delight us with their creative products.

*Sue Harrap
Assistant Principal*

**Music News**

**Nossal Jazz Night**

This year NHS will be hosting its inaugural **Jazz Night**. The evening will showcase the talented and dedicated musicians in our Big Band, and will include some special cameos by staff and other music students eager to take advantage of a less formal, more fun performance space. Make the most of the evening by packing a picnic basket and gathering some friends to enjoy a relaxed evening immersed in fabulous music courtesy of our amazing students.

**When:** Friday 29th April  
(Doors open 6:30pm for a 7:00pm start)  
**Where:** Meath Auditorium, Nossal High School  
**How much:** $10 per person

Book your tickets at [www.trybooking.com](http://www.trybooking.com)....

Soft drinks will be available for purchase on the night, but make sure you bring your own munchies! The evening should conclude around **8:30pm**.

---

**Nossal Big Band**

For the first time at Nossal High School, we are able to send our Big Band to compete in the incredible event at Mount Gambier – Generations in Jazz. Over 4000 students will attend this event, and our students will have the opportunity to work with musicians from the USA as well as hear the great work that is going on at other schools in Australia. It is the biggest event happening in music education in our part of the world and we are grateful to James Mustafa for the hard work he has done to get us there.

*Julia Stoppa  
Director of Music*
Interschool Sport News

Term 1 Division Champions and their next match:

Intermediate cricket girls, coached by Mr Jelinek - October
Intermediate cricket boys, coached by Mr Alderton - October
Intermediate Tennis boys, coached by Mr Hamilton - Friday April 29th
Senior Tennis girls, coached by Mr Hamilton - Friday April 29th
Intermediate Softball girls, coached by Mrs Desaulniers - Tuesday April 26th

Well done to all of the students that competed in Term 1 sport in Cricket, Volleyball, Tennis, Baseball and Softball.

Term 2 sport tryouts will be happening for Netball, AFL, Soccer and Badminton very soon, so please keep watching NEO for announcements.

A big thanks to all of the staff coaches for their time and commitment to the sport program.

Mrs Chantelle Aarts
Inter-school Sport Coordinator
Camps, Sports, Excursion Fund

A reminder to eligible parents.

This is a reminder to parents that have not applied for the CSEF that applications for 2016 close on 3rd of June. If you have not already submitted an application please see below for further information on eligibility and applying.

The Camps, Sports and Excursions Fund (CSEF) commenced in 2015 for four years and provides payments for eligible students to attend camps, sports and excursions.

Families holding a valid means-tested concession card or temporary foster parents are eligible to apply. To be eligible for the fund, a parent or legal guardian of a student attending a registered Government or non-government Victorian primary or secondary school must:

- on the first day of Term one, or;
- on the first day of Term two;
  - a) Be an eligible beneficiary within the meaning of the State Concessions Act 2004, that is, be the holder of a Veterans Affairs Gold Card or be an eligible Centrelink Health Care Card (HCC) or Pensioner Concession Card (PCC) holder, OR
  - b) Be a temporary foster parent, and
  - c) Submit an application to the school by the due date - parent applications can be accepted until June 3, 2016.

Parents who receive a Carer Allowance on behalf of a child, or any other benefit or allowance not income tested by Centrelink, are not eligible for the CSEF unless they also comply with one of (a) or (b) above.

$225 per year is paid for eligible secondary school students. Payments are made directly to the school and are tied to the student. CSEF applications opened from Term one 2016. Parents or legal guardians are required to submit a new CSEF application form each year.

For further information go to:

An application form is available at:

Careers & Pathways
Supervisors for VCAA exams 2016 and beyond

Would you like to help out with supervising the externally assessed VCAA exams in 2016? VCAA exam supervisors are paid to complete this task and this is a rewarding way to be involved in the program at Nossal High School.

Supervisors for VCAA exams cannot be any of the following:

• Closely related to, or associated with, any student undertaking a VCE Unit 3 and 4 study in 2016 at Nossal High School

• Teaching any student a VCE Unit 3 and 4 study in 2016

• Tutoring a student in a VCE Unit 3 and 4 study at Nossal High School

• Closely related to or associated with any person engaged in teaching, tutoring or coaching students undertaking a VCE Unit 3 and 4 subject in 2016, or any person engaged in organising or checking GAT or VCE examination materials at Nossal High School.

Please Note:

• ‘Closely related to or associated with’ includes: children, via relatives/relationships by marriage or de facto or by other living arrangements, friends, neighbours, business or community associates, tutoring or teaching relationships.

If you would like to discuss this further or would like to volunteer to supervise VCAA exams, please contact Katherine Warriner on katherine.warriner@nossalhs.vic.edu.au

Please pass this on to friends or family who may be interested in taking up this opportunity.

Katherine Warriner
Director of VCE

Join me, Patricia, on Monday nights from 6:30pm in the school gymnasium!!

I have Latin music and disco lights to get into the groove, you won’t feel like your working out!

$10.00 a class or $100 for a 10 class pass and get a free Zumba shirt to look and feel the Zumba vibe!

Call me on: 0407349290

---

Perfect For
Everybody and every body! Each Zumba® class is designed to bring people together to sweat it on.

How It Works
We take the ‘work’ out of workouts, by mixing low-intensity and high-intensity moves for an interval-style, calorie-burning dance fitness party. Once the Latin and World rhythms take over, you’ll see why Zumba® Fitness classes are often called exercise in disguise. Super effective? Check. Super fun? Check and check.

Benefits
A total workout, combining all elements of fitness – cardio, muscle conditioning, balance and flexibility, boosted energy and a serious dose of awesome each time you leave class.
Outdoor adventure for all ages!
