

THE OLD NOSSALONIANS

Year 9 Future Membership - Nossal High School Alumni

Graduates from an educational institution are the Alumni. At the end of Year 12 when students leave Nossal High School they will be eligible to join our Alumni – ‘The Old Nossalonians.’

Being a member of the Nossal High School Alumni will open doors for our graduates; our school is held in high regard and students carry with them some privilege through their association. Many of our graduates will go on to become leaders in their field and we will have much to learn from their life experience. Being part of an active and vibrant Alumni allows the school to reap the benefits of their success and learn from it, and allows the students to maintain and develop influential networks amongst their peers and the future graduates of Nossal High School.

What do the Alumni do?

They remain connected to the school and to each other throughout their lives, and they provide service and support to the school and its community. They can do this by:

A. Staying connected to fellow students:

- Having social events, e.g. going to concerts, the football, having dinners, festivals together
- Having get togethers at University
- Forming sporting teams, drama clubs, musical groups, book clubs
- Organising and attending reunions
- Reading the Alumni newsletter that lists celebrations like birthdays, graduations, marriages, births, awards and even in years to come, announcing the passing of Alumni members.

B. Staying connected and providing service to the school

- Receiving and reading school newsletters
- Offering mentorship and experience to current students through advice on university life, choosing courses, careers, work experience opportunities and through sharing other life experiences.
- Supporting the school with financial contributions to further enrich the learning environment and school programs.
- Attending significant events like Speech Night, Music concerts, School Performances and other school celebrations.
